

Sprint 1 Report

Product name: Pro Study

Team Member: Daniel F Martinez(PO)

Jingfei Qin

Weikai Wu(SM)

Jinying Wu

Date: October/19/2016

Action to stop doing

- The team should stop being late for scrum meeting, because
- The team should stop being distracted by phone

Action to start doing

- The team should schedule more group work sessions, since it helps get the work done faster
- The team should help other team members with their work, since there can be someone who is better at programming than others.
- The team should maintain more engineering practices since it helps reduce defects.
- The team should start getting involved more with database technologies because we're not familiar with it.

Actions to keep doing:

- Keep scrum meeting

Work Done:

- Signup, login, and home page.
- Timer and to-do list
- Appearance Design

Work Not Done:

- Save data to database
- Dynamic interaction on pages

Work Completion Rate:

Total number of user stories completed: 5

Total number of estimated ideal work hours completed: 20 hrs

Total number of days: 14 days
